Explore award-winning exhibitions, historic buildings, and aircraft – all brought to life by our friendly and passionate guides. Stow Maries Great War Aerodrome offers a selection of catered packages for groups of 11 or more.

Group visits may be arranged on any non-event open day, Friday to Sunday, between 10:00 am and 4:00 pm. However, we offer private access for groups on Thursdays when the site is closed to the public, giving you and your guests the chance to enjoy the museum exclusively.

We'll tailor the day to suit you, arranging your refreshments and personal tour to your preferred schedule.
